To Whom It May Concern,

I am writing to recommend Joana Duarte for any future opportunities in the field of product design. As a product designer trainee, Joana participated in an internship program at OLX Group under my supervision, and I can confidently say that she is a motivated and talented individual.

Throughout the internship, Joana consistently demonstrated a positive attitude and a deep curiosity about our product. She was eager to learn new skills and techniques, and was always willing to go the extra mile. In addition to her technical skills, Joana also impressed me with her ability to collaborate effectively with other team members.

I am confident that Joana will continue to make valuable contributions in the field of product design, and I recommend her for any future opportunities. If you have any further questions, please do not hesitate to contact me.

Sincerely,

Francisco Medina Walker
